1. Dimensions listed are for power base only Overall measurements will vary based on seating and accessory selections.
2. Varies with user weight, terrain, battery condition and tire pressure.
3. Does not include battery weights.
4. Battery weight may vary based on manufacturer.

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tyre pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of 3%.

Note: Standard 10.4Ah battery is air travel safe.

✈ Transport of this item on commercial aircraft is subject to federal regulations and airline policy. Please consult your airline prior to your flight to ensure your Jazzy Carbon<sup>®</sup> Ultra-lite and its lithium-ion battery are permitted.
